Meetings are where PEOPLE meet.

- In-person or on-line
- Community = Connection
- Community membership increases mental health
 - Belonging, Support, Purpose
- Log on early to engage new and returning guests
- Welcome Committee by chat
- Call on people to engage
- Role model icebreaker/activities when it makes sense
- 2x the time!

Breakout rooms

Don't go it alone!

- Host should focus on leading
- Co-host should let people in the room, mute/unmute noisy people, and monitor the chat room for questions.
- Enlist someone to trouble shoot – they should have the link, the meeting ID and the password handy
- Welcome Committee should welcome new people as they arrive with a personal message.
- Whenever possible, let others speak.

What's
working for
you?
